

Call to Personal and Global Transformation

A Retreat with Edwina Gateley

Sacred Hearts Retreat Center, Wareham, MA

July 20 - July 22, 2018

In the midst of our violent and hurting world we will explore how God as Lover, Healer and Seducer ever invites us to new possibilities and to believe in our potential to make a difference. Through Scripture and contemporary stories we will be stretched and challenged to believe in our call to become mystics, saints and prophets. We will laugh, cry and celebrate as we recognize more deeply the presence and power of the Holy Spirit in our lives.

Edwina Gateley is a poet, mystic, mother, lay missionary, advocate, international speaker and author of 15 books. Her journey of faith has led her to Uganda where she established a school for girls, to the founding of the Volunteer Missionary Movement which has sent over 1700 women and men to 26 countries on five continents, to sojourning to the Sahara Desert to pray, and also to the streets of Chicago to minister to women in prostitution. Her story is like no other! Don't miss the testimonials below.

Testimonials:

"Look, this lady takes Jesus seriously. She hangs out with prostitutes and criminals. Be warned. She's a prophet and mystic who can get into real trouble. Don't come to hear her amazing story unless you're bloody well, spiritually ready."

~ Sr. Helen Prejean, Author of Dead Man Walking

"Edwina Gateley shatters the notion that women cannot preach! Do not miss this opportunity to drink in the thoughts and the personal challenge that will await you in spending time with Edwina Gateley."

~ Kathleen Schatzberg, Retired President of Cape Cod Community College

"Edwina Gateley speaks to my heart, and she speaks from a heart of compassion and courage. She is funny, tender and wise. Don't miss her!"

~ Terri Cesarz, Spiritual Director and Hospice Volunteer

"Edwina is, without doubt, the most powerful speaker I have ever heard. Her stories are poignant, her humor is outrageous and her spirit is uplifting. She is the real deal. I participated in her "Soul Sisters Retreat" in 2005 and have not been the same since!"
