

Assumption of our Blessed Mother

"Mary is a symbol of how God often works through the poor and unknown to carry out His plan for redemption."

"The Magnificat", Pope Francis told about 20,000 people gathered in St. Peter's Square for the Angelus, "praises the loyal and merciful God, who carries out His design of salvation with the little ones and the poor, with those who have faith in Him, who trust His word, like Mary."

### How did you know?

Vacationing in Hawaii, two priests decide to wear casual clothes so they won't be identified as clergy. They buy Hawaiian shirts and sandals, and soon head for the beach. They notice a gorgeous blond in a fancy swimsuit. "Good afternoon, Fathers" she says as she strolls by.

The men are stunned. How does she know they are clergy? Later that day, they buy even wilder attire consisting of surfer shorts, tie dyed T-shirts, and dark glasses.

The next day, they return to the beach. The same fabulous blond passes by, nods politely at them and says, "Good morning Fathers."

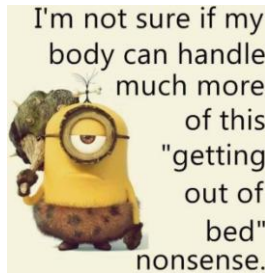

"Just a minute young lady.", says one of the priests. "We are priests and proud of it, but how in the world did you know?"

The blonde replies, "Don't you recognize me? I'm Sister Katherine from the convent."

*(Please reflect on these and be ready to share your thoughts and suggestions at our next meeting. Reflections will be included in the Hawaii Report to the Sept. 2018 SB Conference in California)*

1. New Candidates
  - a. How can we get new candidates?
  - b. How long is the term of candidacy before making the Associates Pledge?
  - c. Which topics should be covered during time of candidacy?
  - d. How often should we have a recommitment ceremony?
2. Our missionary activity  
Is there any other way we can help our Brother Seminarians in Fiji?
3. Some Associates cannot attend meetings because of transportation. Sr. Dolores, together with an Associate, has been suggested to make some home visits. How are the carpools doing?
4. What are some strengths of our community?
5. What are some challenges of our community?
