

"The Grace of the Rosary"

Weekend
Retreat

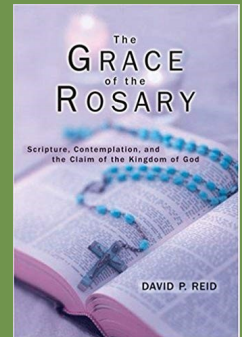

December
7-9, 2018

Some plants are perennials, some rose gardens are good forever. So too the rose garden that is the Rosary, made to be that from its start with 150 psalms 150 Aves, 1500 years ago! Today the Rosary is expanded to celebrate Jesus as the fullness of the psalms. The retreat will celebrate both the big picture of the Rosary and some of the mysteries in detail, all taken from my Book, the *Grace of the Rosary*, which will be given to all present. Over the time together we will have prayed all 20 mysteries as Eucharistic preparations. .
