Pope Francis: "I love St Joseph very much because he is a strong and silent man"

(St. Joseph's Feast Day March 19)

Six years ago, on the Solemnity of St Joseph, Pope Francis celebrated the Mass inaugurating his Petrine ministry. He chose March 19 precisely because he has always seen in St. Joseph the strength and the wisdom of God.

Pope Francis in his own words on St. Joseph:

Joseph is a "protector" because he is able to hear God's voice and be guided by his will; and for this reason he is all the more sensitive to the persons entrusted to his safekeeping. He can look at things realistically, he is in touch with his surroundings, he can make truly wise decisions. In him, dear friends, we learn how to respond to God's call, readily and willingly. <https://www.vaticannews.va/en/pope/news/2018-03/pope-francis-st-joseph-5-anni-versary-pontificate.html>

Following in the Steps of Jesus

We certainly never expected here in Hawaii to have to cancel a meeting because of weather conditions. But thus it happened. A sincere 'That You' to all who helped with the phone calling and messages.

Thus, at our next meeting on March 10, 2019, we'll have the opportunity and joy to hear Sister Helene Wood, ss.cc. as she tells us about her recent trip to the Holy Land. Sister has put together a PowerPoint presentation which will help us to visualize and participate in her experience of being in this sacred place.

Cream Loses Its Magic

Little Michael watched, fascinated, as his mother smoothed cold cream on her face.' Why do you do that, Mummy?' he asked

'To make myself beautiful', said his mother who then began removing the cream with a tissue

'What's the matter?' asked little Michael, 'Giving up?'
