My Dear Brothers & Sisters,

*During this unprecedented time in our world, know that you are in my
prayers as together we walk the way to the WAY yet to be clearly revealed.*

*Last Friday, Fr. Bill Moore, ss.cc. got word that the chemo that he has
been taking for the past months has not contained the cancer. It has
spread to more of his liver. He has decided to stop all treatment. The
doctor told him he has three to six months of life here on this earth. He
will probably begin a Hospice Program next month.*

*He would like to thank you for your faithful brotherhood to him over all
of these years.*

*Please keep him in your prayers. His daily life continues to be filled
with allowing God to call forth more creative art works.*

With my prayers and support,

Rich, SS.CC.
