Personal Magnificat - By: Marc Sherwin Roque

*In the silence of my heart, you are there Oh Lord.
You are waiting patiently for me to turn to you.
Forgive me for all the times that I have ignored your presence,
for I was foolish.*

*You constantly remind me that
I am fearfully and wonderfully made,
especially during the most difficult and painful hours of my life.
No matter how dark and empty my heart is at times,
You are that candlelight that continues to glow.*

*Since the beginning, You made the promise to be merciful,
compassionate, and to love us unconditionally.
I am a product of your promise and I pray that I may
be one of your instruments of peace and love to all your people.*

*I am nothing but your modeling clay,
Oh Lord, and I ask that you
continue to mold and transform me each and every single day.
I am blessed that you appreciate all my curves and imperfections,
which reminds me that I am beautiful just the way I am.*

*I am nothing but a loyal and humble servant in your vineyard,
working until the end of time.*

*My heart is ready Lord, my heart is ready.
It is ready to serve You and all of your people.*

Amen.

Personal Magnificat - By: Tavite Uluilakeba

*Great and mighty is your Holy name O God
You are the beginning and the end
My body and soul give thanks and praise to you
You called me from my Mother's womb
You formed me and you know me
More than I can even know myself*

*You created all things for me and
You created me for all things
May your name be praised in all things
Let my whole being praise you*

*For you created me in your own image
To be blessed and unique among all others
When I fall, you picked me up
Wounded you tended to me
Broken you placed my pieces back together*

*You never left, you were and will always be there
You take delight in me, as in others
From the beginning, now and it ever shall be
May your will be done in me*

*May you continue in me what you begun and
Let your name be praised forever and ever.
AMEN.*

Personal Magnificat - By: Gaberieli Sanivalu

*Hail Mary full of Grace
you are perfect image of a mother,
and I am so blessed to know you
and to call you my mother
also to ask you to intercede for me
for you are the mother of God
it is comforting to know
that we can also call you mother,
how wonderful that only are you the
mother of God but my mother also.*

*It is right that I give you praise
because you have done things
that a mother would do
I honor you and continue to thank you
because like your Son Jesus Christ
you experienced pain and suffering
from the moment you gave life to your son
to experiencing the death of your son.*

*Your love knows no boundaries,
and like your son Jesus you are full of mercy.*

*I am forever grateful
and continue to be grateful
of all the things that have been done for me.*

*Through my struggles and sufferings,
I felt love and mercy,
through my joy filled moments
I know those are blessings.*

*Therefore, it is right
that I give praise to you my God
and continue to honor you Mary my mother.*

Personal Magnificat - By: Sepulona Lutelu

*Bless the lord all my soul and forever
praise his holy mighty name
My life transformed from meekness to mightiness
Because God chose me
to proclaim his love and fulfill the gospel
He gave me strengths to conquer my weak spots
And I drink from the fountain of his love
that flows from his heart
I am chosen and forever will be
And I am fully blessed and forever will be.
My brokenness he glued it together with his mercy
My guilt he took as his own responsibility
I walked in faith with the devil trying to drag me down
But his cross is my salvation,
and he makes mine as his own*

*Thank you, Jesus, for loving me
My life is yours and yours is mine
My suffering ease by you
because that is who you are
The Alpha and the Omega
The holy of holies, The king of kings
And your remedy worked miracles with all humanity
For your ways are gentle and humility
And all the days of my life will be filled with gladness*

*I will serve you wholeheartedly
And the yes, I gave you will be the good news
for all and the gospel for my family
You are the God of mercy and compassion
And I will lead the people in your ways
For you are God of love and passion
Who sees the goodness in everyone
And welcome all in your heavenly home.*

Personal Magnificat - By: Charlie Martinez

*God of mystery and wonder,
you created me out of love and love alone.
From the beginning of time,
you found me worthy of your love
and called me into being.
In my mother's womb
you planted the seed of your love
that it may grow,
bear fruit and be shared with all humanity.
Your Spirit and your love
are already present in me.
May I manifest that love to others
with the same abundance of
generosity that you have shown me.*

*God of my past, present and future,
you know best the plans you have for me.
Let me be malleable material
in your gentle and compassionate hands.
Let me be open to your healing touch
and your loving embrace.
Anoint me with the spirit of humility
that I may look for your presence in everything and everyone.
Let your healing touch be felt in a world that continues to hurt.*

*God of promise, as I continue to walk in the light of your grace and favor,
help me to never lose sight of your assurance in your love and care for me.
Let the wonder and awe of the unfolding of your will for me be a source of
life and grant me the ability to respond to that will with an open heart.
In times of doubt, insecurity, or fear, help me be still, help me be quiet and help me
remember the words of the prophet Zephaniah--
"The Lord your God ...takes great delight in you,
He will quiet you with His love, He will rejoice over you with singing."*
